

Model Number: M2000-3

Powr-Flite 2000 RPM 20in Electric Burnisher

Manufacturer: Powr-Flite

2000 RPM 20in Electric Burnisher

Our burnishers give you years of trouble free operation, making it easy to bring the life back to almost any hard floor surface! These machines offer exceptionally smooth operation with a flexible, self-adjusting pad driver that burnishes unlevel surface areas evenly. Our patented design combined with precision balanced weight distribution eliminates the need for a compensating caster. The entire pad is touching the floor, not just a couple of inches like conventional burnishers!

Product Features:

NEW one piece all metal handle housing, tube and trigger assembly for aggressive cleaning

Floating handle for easy operation with safety start-up/lockout

Full pad-to-floor contact, no compensating caster

Flexible pad driver

Patented one-piece housing

Steambrite Supply
