Manufacturer: Clean Storm

Clean Storm AB35 Premium Grout Brush CHISELED STIFF for Tile Cleaning
Description

This new premium grout brush has stiffer bristles in a tapered configuration that allows you to brush hard into the smallest crevices with greater control and speed. The nine inch brush block fits on a threaded handle. Ideal for the removal of heavy dirt buildup in corners of walls, floors and grout lines. Durable PET bristles are angled to a point for superior scrubbing in corners and helps keep the brush in the grout line. Pivoting low profile head is easy to maneuver, helps reduce bending and overreaching, and prevents lower back injuries. Stiff chiseled brush helps keep inside those grout lines! Good for cleaning corners and grooves. Pivoting mounting bracket, attaches to any standard threaded handle (not included)

*Final shade or color of item is not guaranteed.
