

Model Number: A901

Mytee A901 1000 watt replacement heater Complete

Manufacturer: Mytee Products

1000 watt replacement heater for most brands of carpet cleaning extractors.

This type of heater is installed in the motor box. The water flows through the heater after it leaves the water pressure pump.

Draws 8.33 amps @ 120 volts. Less than 10" long.
10 degree temperature rise with most carpet cleaning wands and 20 degree rise with most upholstery tools.
Thermostats set to 210 degree so if you quit cleaning the 8 oz of water will go to 210 and turn the unit off. When you pick up the cleaning tool and start cleaning the heater will turn on again.

Compare to current or past OEM associations:
Rotovac TE22800
52140000
