DriStorm AOne-70L Commercial dehumidifier (XD-125)

The DriStorm AOne-70L Dehumidifier is here to change the game by setting the bar higher than the competition in the water damage restoration industry. The 150 pints per day (PPD) water extraction capability along with all the expected features are now available in the DriStorm AOne-70L. The DriStorm DriStorm AOne-70L combines high-tech design with professional grade performance and portability. The roto-molded polyethylene housing is dent resistance, offers superior durability, and helps to protect furnishing when in use. Stack up to two units high for efficient storage. A rigid handle and semi-pneumatic wheels ensure easy transport and maneuverability.
