Model Number: 14-50R

Pass and Seymour 14-50R Flush Mount 3894 UPC 78500780790 Online Part 36877

Manufacturer: Pass & Seymour

25 Pass & Seymour 3894 straight blade receptacles. Common applications include range installations that need both 250V for the heating elements and 125V for the clock/controls/lighting. It is NEMA 14-50R, 3-pole, 4-wire, grounding, rated 50A 125/250V. Fits wallplates with 2.147" or 2.15" diameter opening. If you have an older range with a non-grounding plug (that is, a 3-blade plug), check out our NEMA 10-50 outlets

Pass & Seymour 14-50R Flush Mount 3894 UPC: 78500780790 Online Part #: 36877
