What can this Fogger do ?

The Vectorfog H400 SF trolley mounted thermal fogger is ideal for medium size fogging applications and it's perfect in locations where access to vehicles is limited. Features include a 30 litre stainless steel tank, a flow rate of 50-80 LPH and automatic start. Thanks to its large chemical tank, this thermal fogger can be used for long periods at a time, without the need to refill.
