Juicy Car Wash, Leather Conditioner (Gallon), GTIN 9415400213

Manufacturer: Juicy Car Wash

Juicy leather conditioner is a lavish lotion that penetrates deep into the leather to condition and protect leather from drying, cracking and aging while restoring the fresh smell of leather. Juicy leather conditioner is ph balanced, and formulated using a durable stain repellent that repels stains and dirt from accidental spills. Juicy leather conditioner contains a UV protection to help block damaging UV rays.
