Model Number: W15904HP

PMF W15904HP Hard Surface Floor Tool 3000 psi valve Internal Spray Wand

Manufacturer: Production Metal Forming

PMF once again meets the demands of floor maintenance professionals. This innovative hard Surface Wand will clean and scrub all hard floor surfaces. Its 4 internal spray jets insure a full 12" of blasting power.

Perfect for hard surfaces, concrete, vinyl, tile, etc. High pressure to blast away most grime.

- 12" stainless steel head with squeegee on front face
- 360 degree scrubbing brush
- Internal 4 jet set up, easy to get at and maintain
- Vacuum release thumb slide
