DSC Products Gentle New Generation Carpet Detergent For stain-resistant-carpet 2 Cases/8 Gallons

Manufacturer: DSC Products

New Generation Carpet Detergent

- A unique protection for stain resistance of carpets. It is the only choice when cleaning a stain resist carpet that is not going to be treated with Master series or equivalent after it has been cleaned.
- Just using a product that is lower than pH of 10, no quaternary compounds and a temperature of less than 180&deg;F does not do it. Even plain water reduces the stain resistance of most carpeting.
- For portable extractor machines: use 1 oz. per gallon of water.
- For truck mount extractor units: To make the concentrate solution, use 1 quart to 5 gallons of water.
- Light tan liquid that has a rain fresh odor.
- Contains no cationics or brighteners.
- pH &ndash; 8.
- Flash point &ndash; none.
