20220729, Carpet Cleaners Standard Starter Kit 2, 200 psi Plus Cleaning Machines, SBMKit2

Manufacturer: Clean Storm

Carpet Cleaners Standard Starter Kit 2

This kit is primarily used with medium pressure machines over 200 psi and have at least 4 stages of vacuum (dual 2 stage.)

In carpet cleaning, you will need some way to Prespray your cleaner, Prescrub and agitate, Rinse, Spot Clean, Post Groom, and Maintain you equipment. You will also need a way to clean upholstery, cars interiors, mattresses, and stair cases.

Kit advantage:

- The dual counter rotating brush systems means you now have a machine to help you with the prescrubbing.
- The Injection Sprayer presprays at least 8 times faster than a pump up sprayer and it is way less calories to burn because no pumping is required.
- The extra 25 ft of hose means you do not have to move your machine around as much. Many times you can leave the machine at the base of a stair case and clean the up stairs hall way and even some smaller nearby up stair rooms.
- The Internal Spray Hand Wand means you will have zero over spray and back splashing. The wand will clean bi-directionally. Dries faster than open spray tools.
- Furniture tabs can be left under furniture that stays in the room. No more need to empty the room completely.
