Innovative Surface Solutions NG1 Nano Guard for Stone Case

4 Gallon Case

Nano Guard is formulated to provide the ultimate in protection by using both dual action technology and hybrid polymers. nano guard is environmentally fiendly, voc compliant and provides increased stain suspension and resistance against most contaminants found in kitchens, retail food stores, restaurants, malls, garages, warehouses, distribution centers, etc. While originally formulated to be used in conjunction with hardened concrete floor systems, Guard may also be used anywhere a clear, high gloss, dual action concrete protection system is desired. Nano Guard is designed for use on previously sealed surfaces, as well as surfaces that have been previously stained or dyed and sealed.
