

Model Number: A145-

Mytee A145 Loading Buddy Upper Back Wall Rear Wheel Kit 20130606

Manufacturer: Mytee Products Inc

Mytee A145 Wheel Kit
A Friend You Can Lean On!
The Mytee A145 Loading Buddy is a brilliant example of Mytee’s problem solving ingenuity. Built for our Speedsters, LTD Speedsters, Contractor’s Special, and Breeze Extractors, the Loading Buddy eliminates the need for ramps or a partner to load and unload our larger extractors. Increase team efficiency by turning a two man job into a solo effort, no ramps required!
Kit includes Loading Buddy Wheel Attachment and mounting hardware.

Makes it easy to load your carpet cleaning machine into your service van or trailer. Just lift up the machine by the front casters and roll in. No more extreme lifting or required team lifting. Perfect for tile and grout cleaning machines that are heavy because of the large pump system. Perfect for moderately heavy machines when you do not want to purchase a ramp.
