Malish 770120 Bassine Natural Fiber - 20in Scrubbing Brush

Manufacturer: Malish

The Malish 770120 Bassine Natural Fiber Scrubbing Brush is used for general scrubbing purposes. Water absorption properties make this an excellent, low cost choice for hard surface scrubbing.

Use for general scrubbing of these following types of surfaces:

- Heavily Soiled Concrete
- Moderate to Lightly Soiled Concrete
- Vinyl
- Tile
- Terrazzo
- Ceramic/Quarry Tile
- Linoleum

Blocks smaller than 13" do not have the showerfeed holes.
