Fresh Products Non Para Urinal Screens

Manufacturer: Fresh Products Inc

Enzyme block deodorizes, cleans and prevents scale buildup. Every flush tints the water blue, while billions of healthy bacteria work continuously to eliminate odors and maintain drain lines. Flexible screen traps debris. Lasts up to 1500 flushes. Dozen. Non-para block deodorants are water-activated, blue the water, counteract odors, and fight bacteria growth. Contains no paradichlorobenzene.
