Model Number: 6210DC

CEP Distribution Panel 100 Amp 3-Phase Model 6210DC

Manufacturer: CEP Construction Electrical Prod

CEP Distribution Panel 100 Amp, 3-Phase, Model# 6210DC

This CEP Distribution Panel allow for safe transition from large generators or other large power sources to smaller spider-type boxes or standard tools.

2-Wheel Power Distribution Carts

These heavy-duty 3 phase power distribution carts are designed to breakdown 3 phase 480V power into 208V 3 phase, 208V single phase and or 125V single-phase power. The power supply input may be a direct wire feed, 60A or 100A pin and sleeve, or a cam type device. Either a large generator or another large power source may power them. These units combine a transformer and distribution panel. These are available in 100, 200 or 400 amp configurations. UL Approved up to 600Amps.
