Model Number: EC18000VE

Winco EC18000VE Industrial Generator Briggs and Stratton Gasoline Engine

Manufacturer: Winco Generators

Winco EC18000VE Industrial Generator Briggs & Stratton Gasoline Engine

WINCO has over 85 years of experience manufacturing industrial grade generators. We focus our attention on developing the highest quality generators available at the best long-term value. WINCO vehicle mounted generators are used in spray foam insulation, construction, mining, oil field, service, and emergency vehicles. These generators provide dependable power when reliability is a necessity.

Engine

- B&S Vanguard 895 CC
- Cast iron cylinder sleeves increase engine life and reduce oil consumption
- Standard low oil protection
- CARB and EPA compliant

Generator

- Dampers, skewed rotors for <5% total harmonic distortion
- 425 Volt heavy duty capacitors
- 25 Amp 1200 Volt diodes
- Varistor provides an extra layer of protection for the rotor diodes by intervening at 360 VAC and 470 VDC

Additional Features

- Optional fuel tank from WINCO that includes 15 gallon composite fuel tank, primer bulb, fuel cap with gauge, carbon canister, fuel line, connectors and brackets.
- Electric key start at the generator.
