Model Number: CPHL5DCH

Hydrotek CPHL5DCH Hot Link 12 volt Diesel Water Heater for Pressure Washing and Carpet Cleaning 47489

Manufacturer: Hydrotek

8 WEEKS BACKORDER

Hydrotek CPHL5DCH Hot Link 12 volt Diesel Water Heater for Pressure Washing and Carpet Cleaning

Hot Link CPHL5DCH Hot Water Generator for pressure washing and truckmount carpet cleaning

**** Note: Factory back order 8-12 weeks (60+ days) ****

Would you like your cold water pressure washer to be capable of spraying hot water?

Simply connect the

Hot Link to your existing cold water pressure washer (up to 4350psi /300bar, up to 5gpm / 19liters) with the

included 4' connection hose and you have the hot water you need to wash away grease and grime

efficiently. The Hot Link uses a diesel fired burner and schedule 80 steel pipe coil with ceramic insulation to

efficiently provide up to 200F water. The Hot link is compact and rugged with a powder coated steel

base/frame and stainless coil enclosure.

Note: 4 ft connection hose is a bare hose that starts in a 3/8" Mip connection. This means you will have to add your own optional QD or coupler.

The same is true with the outbound connection. It is a 3/8" female swivel Fip connection and if you might want to add your own QD or coupler to this port as well.

Dimensions: 29" L x 22" W x 22" H

CPHL5DCH: 12v powered, wire to the battery on your pressure washer (minimum 14amp charging system)

Attach to your existing cold water pressure washer and you have the power of Hot Water to quickly melt away grease and grime.

Features:

Use with your cold water pressure washer

100 - 4350 psi

1-5 gpm

Includes 4' jumper hose

4 gallon diesel fuel tank

Adjustable temp up to 200 degrees F

>

Stainless steel insulated coil enclosure
Redundant safety features include flow
switch, pressure relief valve, and burst disc

Compact: 29" x 22" x 22"
2 Models Available:
12v DC for remote use, hook to the battery on your pressure washer (requires 14 amp
charging system)
and 115v includes 37' GFCI cord, plugs into any standard 15 amp outlet

Benefits:

The Hot Link System allows you the flexibility of using hot water on those stubborn
jobs such as grease, gum, or graffiti that require the impact of hot water to get the job
done right. It will save you money by getting the job done faster, and you do not have
to buy a new pressure washer if you already have a cold water system. Its compact
size allows for easy storage when not in use and takes up less room on your truck or
trailer.

Includes:

Schematics

Unit by default comes with the 1.75 80B burner nozzle. Factory will not change this out but you can adjust the BTU rating on your own.

Will work with low flow BTU environments (like carpet cleaning) by installing the 1.0 80A fuel nozzle.
