Model Number: CPHL5E1H

Hydrotek CPHL5E1H, Hot Link, 115 volt Diesel Water Heater for Pressure Washing and Carpet Cleaning 47113

Manufacturer: Hydrotek

8 WEEKS BACK ORDER

Hot Link CPHL5E1H Hot Water Generator for pressure washing and truckmount carpet cleaning 47113

** Note: Factory back order 12-14 weeks (90 days) **

Would you like your cold water pressure washer to be capable of spraying hot water? Simply connect the

Hot Link to your existing cold water pressure washer (up to 4350psi /300bar, up to 5gpm / 19liters) with the

included connection hose and you have the hot water you need to wash away grease and grime

efficiently. The Hot Link uses a diesel fired burner and schedule 80 steel pipe coil with ceramic insulation to

efficiently provide up to 200 F water. The Hot link is compact and rugged with a powder coated steel

base/frame and stainless coil enclosure.

Dimensions: 29"Lx22"Wx22"H

Note: 4 ft connection hose is a bare hose that starts in a 3/8" Mip connection. This means you will have to add your own optional QD or coupler.

The same is true with the outbound connection. It is a 3/8" female swivel Mip connection and if you might want to add your own QD or coupler to this port as well.

CPHL5E1H: 115v, 1ph, 15 amp, plug into a wall outlet or 2000w generator

Attach to your existing cold water pressure washer and you have the power of Hot Water to quickly melt away grease and grime.

Features:

Use with your cold water pressure washer
100 - 4350 psi

>

1-5 gpm
Includes 48" jumper hose
4 gallon diesel fuel tank
Adjustable temp up to 200°F
Stainless steel insulated coil enclosure
Redundant safety features include flow switch, pressure relief valve, and burst disc
Compact: 29" x 22" x 22"
2 Models Available:
o 12v DC for remote use, hook to the battery on your pressure washer (requires 14 amp charging system)
o 115v includes 3' GFCI cord, plugs into any standard 15 amp outlet
Benefits:
The Hot Link System allows you the flexibility of using hot water on those stubborn jobs such as grease, gum, or graffiti that require the impact of hot water to get the job done right. It will save you money by getting the job done faster, and you do not have to buy a new pressure washer if you already have a cold water system. Its compact size allows for easy storage when not in use and takes up less room on your truck or trailer.
