Rubbermaid RCP 7575-88 YEL Wavebreak Down-Press Wringer Yellow 16-32 OZ

Manufacturer: Rubbermaid Comm

RCP 7575-88 YEL Rubbermaid®; Commercial WaveBrake®; Down-Press Wringer

Down-press wringer is manufactured specifically for use with 8.75-gallon WaveBrake® buckets. Highly efficient jaw-action design presses excess water straight down into the bucket. Ergonomic handle minimizes stress on user's wrist. Rigorous testing ensures longevity, more than 100,000 cycles. Premium tubular steel and molded plastic construction. Includes one each.

WAVEBRAKE DOWN-PRESS WRINGER, YELLOW
