Model Number: SANT1490TBK  
OCEANS SMART SYSTEM TOUCHLESS RL TWL DSP

Manufacturer: San Jamar Dispenser

Sanitary touchless dispenser. Easy operation. Simple paper length and delay preset buttons for portion control. Choose either standard or hygienic mode for towel length. Dispense towels one after the other or with delay. Handles all paper qualities without jamming. Proven Infinity System? allows complete usage of stub roll to eliminate waste. Holds rolls up to 8" wide: one 8-1/2" diameter and one 4" diameter stub roll. Lock prevents pilferage. Operates on four D-size batteries (not included). Break-resistant plastic construction. 13w x 9d x 15-1/2h.
