Unisan MED ANTI-SKID LOOPED HEAD W/SCRUB PAD

Manufacturer: Unisan

Finest quality cotton/polyester blend fibers are twisted and knitted tightly creating a longer-lasting, lower linting mop head. Enhanced water absorption allows for greater coverage of floor surface. Highly abrasive, scrub/strip pad removes stubborn soils. Looped ends and durable double-sewn tailband reduce tangling and unraveling. Narrow 1-1/4" canvas tape headband works with clamp style mop handles (sold separately). 12 mop heads per case.
