Model Number: 3018000

Steam Brite 17in - 18in Rotary Yarn Bonnet Lo-Prof with agitation stripes Tiger Carpet Cleaning Bonnet Pad each

Manufacturer: Steambrite MFG

Low-profile bonnet provides improved operator control on rotary floor machines from 175-300 RPM. Effectively pulls dirt and soil out of carpets.

These are actually 18" across but can be used in 17" situations because on a 17" driver, it just hangs over the edge by 1/2" all the way around the driver.

Tiger®-Carpet Cleaning Bonnet™ Tiger® is a great carpet bonnet featuring looped end synthetic yarn with non-abrasive pile lifting/cleaning stripes. The yarn is long staple synthetic for long wear and minimal linting. Tiger is double sided and of course washable.
