Model Number: Panther 27

Sell Your Used Panther 27HP Truck mount

Manufacturer: ChemTex

Do you own an old Panther Truckmount that fits this description that you would like to sell?

Does your Panther truckmount break down a lot? We will place a photo of your used Panther Truckmount for free on this website. Just email us a photo, age, hour reading, warranty info, any accessories that are included, how you would like to handle shipping, and all your contact information. This ad has a \$50 value and is limited to used Panther Truckmounts Only. The add will stay on-line until it sells and you email us to remove it.

Please note that we are NOT giving away a free used truckmount. We are simply offering to help you sell yours and waiving the \$50. fee for building the webpage.

• Compact Size: 36"L x 20"W, Weight: 450 lbs.

Panther's compact size and lightweight allow easy installation in any small 1/2 ton-related van or truck with plenty of room for extra tools and equipment.

• Continuous Heat: Temperature: 230° F

This work-saving continuous 230° F supply of water is provided by state-of-the-art 100% stainless steel dual heat exchange system. Cut costs by eliminating dangerous LP gas or fuel.

• Powerful Vacuum System:

The Root's 4.7MP Positive Displacement Rotary Lobes vacuum blowers produce over 18 inches of mercury and 542 CFM. The Panther 27's powerful Roots' blower, in combination with a constant supply of 230° F water, dramatically reduces carpet-drying time. Operating vacuum hose length maximum 600 feet.

• Power by KOHLER's Command Engine 27 Horse Power

The fuel efficient Command Twins' are designed to meet strict emission standards. In addition, quiet dB (A) sound power levels help OEM's comply with worldwide noise regulations.

The KOHLER's Command 27 is the finest twin cylinder OHV air-cooled engine that money can buy, and with a service network of over 10,000 dealers worldwide, it's the best-backed engine on the market today.

• High Pressure Pump: CAT's 3 Piston Pump 2700 PSI

• Includes 100 Gallon all 100% Stainless Steel Recovery Tank with a Lifetime Warranty.

• Weight: Panther 27, 450 lbs. Recovery Tank, 120 lbs.
