Description

Heats air up to 205F. There is no air mover motor, no squirrel cage, and no attachments. The PDS-21 is an all-in-one containment which makes this revolutionary product easy-to-use for big and small jobs alike. The PDS-21 makes drying easier and less frustrating than before. It is perfect for under sinks or behind cabinets and permanent furniture. Its portability makes drying a breeze. Just bore a 1/2 inch hole(s), plug in the hose end(s) and begin drying

Features

- Pressurized air flow
- Most even airflow
- Built-in cord wrap
- Light weight
- Easy grip handle
- On-board plug-off system
- Self healing thermal protection
- Stackable for storage
