Description

BIG D ODOR CONTROL FOGGER destroys all odors in any home-size room, individual office or car that has been in a flood, a fire, a skunk encounter, or any other place that is enclosed or too small for a large electric fogging machine.

The ODOR CONTROL FOGGER is far superior to the handheld aerosol for the kinds of odors that force themselves into cracks and crevasses. It eliminates cigarette odors in cars and musty smells in closed rooms. It is excellent for use in property management and auto detailing. One 5 oz. can provides up to 6,000 cu. ft. of odor-destroying coverage.
