Model Number: PFX1085EAW

PowrFlite PFX1085EAW 10gal 500psi HEATED 6.6 Inch 2 Stage Airwatt Carpet Cleaning Extractor
Air Watt Freight Inc

Manufacturer: Powr-Flite

10 Gallon Hot Water Airwatt Carpet Extractor - 500 PSI
Free 20 ft insider vacuum and solution hose.

Backed by the Carpet and Rug Institute's gold seal of performance, the PFX1085EAW uses pioneering innovation in carpet cleaning to deliver deep cleaning with hot water and 500 PSI! The result of this state-of-the-art engineering is an extractor with less amp draw, a cooler running motor, and remarkable water recovery. Now you can reduce the risk of blown breakers and get up to 3x the motor life of a traditional vacuum motor.

The new Airwatt PFX1085EAW extractor takes cleaning to a new level with heat and the exceptional cleaning power that achieved CRI Gold from the Carpet and Rug Institute. This incredible extractor brings the "heat" with an unparalleled performance level in a portable extractor. Performance is boosted with the high quality CAT pump known as the most dependable, longest-lasting and low-maintenance high-pressure pumps available.

Features include:

- State-of-the-art, patent-pending bearing design virtually eliminates bearing failure - the number one failure on carpet extractor vacuum motors
- A high efficiency new cooling fan design keeps the motor running cooler

Commercial Upright Extractors

Our commercial full-size upright extractors put a truckmount unit on wheels with high pressure and heated solution in a go-anywhere case.

Our mid-sized commercial extractors have the power to perform and provide the results you expect! All models feature waist-high control switches, a transport handle within easy reach while standing and large stair climbing wheels to take you where ever you need to go. Medium to large cleaning jobs are a snap with the 10 gallon solution and recovery tanks. Get the ultimate in carpet cleaning with a Powr-Flite carpet extractor.

Our extractors are available with the in-line heater for super hot water for those tough jobs. Hot water is the professional's choice when it comes to cleaning carpet. The hot water works with the carpet cleaning chemical to get the dirt out faster.

>

Note factory does not provide power cord(s) or tools with machine, please add to your order.

Clean everything from delicate drapes and upholstery to deep, embedded dirt with the powerful Powr-Flite upright extractors. With the power and performance for superior cleaning results, the PFX1082 line is the perfect portable for any carpet cleaner or in-house cleaning crew whether you are looking for an economical unit for starting in the business or a seasoned professional looking for maximum cleaning performance. Heavy-duty construction combined with the highest quality components makes the Powr-Flite upright extractor perfect for busy, on-the-go professionals. (shown with optional wand)
