Mytee P535 Big Mouth 5 Qt. Bottle with Cap AS65

Meet Mytee's Big Mouth 5-Quart Bottle. Pre-treating carpet, upholstery, tile and other surfaces can mean the difference between good results and truly great ones. Let your work shine by using Mytee's 5-quart Injection Bottle with your injection or power sprayer to pre-treat jobs for maximum results.

Sold at dealer cost / no returns / no phone orders, must be ordered on-line.

Features:

User friendly – With a graduated translucent tank for precise measuring, easy-clean design and easy-fill port with a cap that is tethered to keep it from getting lost.

Durable – Made of tough, roto-molded polyethylene plastic that is resistant to cracks, dents and leaks.

Guaranteed – 5 Year Limited Housing Warranty

Use a Big Mouth Bottle to replace the injection bottles you may currently be using, which are blow-molded and easily damaged, have no graduated measuring, and require you to remove the injector before refilling the bottle.
