

Model Number: 2019K016S

Clean Storm 2019K016S Filter Force Bolt Down Floor Mount Vacuum Lint Filter For Truckmounted Carpet Cleaning Systems

Manufacturer: Clean Storm

Clean Storm 2019K016S Filter-Force Bolt Down Vacuum Lint Filter For Truckmounted Carpet Cleaning Systems Vertical Floor Mount.
Description
The Lint Filter captures debris to prevent damage to your extractor. Use in-line filter to keep debris out of your extractor’s vacuum motors. You’ll experience unbeatable performance, extractor protection, user-friendly features, and durability. Required for all auto dump and drain carpet and tile cleaning machines. Helps force your employees to filter the lint and carpet fibers from recovered water. Prevents balls of trash on the customers lawn if you dump in the customer's grass. Required by all city water sewer processing for waste water disposal for sewer clean out dumping. Keep your auto pump out pumps clean and working properly. Protect your investment in equipment and your valuable time by ordering the Filter-Force!
Features

- 2″ barbed inlet
- Placed between two vacuum hoses, the stainless steel strainer basket traps debris as it moves from the wand to the extractor
- Wide, ribbed body provides maximum strength under pressure to allow for maximum airflow
- Keeps dirt, lint and other debris from damaging the extractor’s vacuum motor, which can lead to down time and costly repairs
- Durable roto-molded housing handles rough use by employees better than other branded filters.
