Cox Hot Water Hose Reel With 175 ft x1/2 in ID hose RE120

Manufacturer: Cox Hose Reels

Includes 175 ft of
Air and Water Hose HBD Thermoid Inc ValuFlex (ValueFlex) 1/2" ID Per Foot
200psi Black GS GP

Includes one: Cox Hose Live Reel 1/2in X 200 ft, 1125-4-200cv - 8.711-858.0
- Landa Legacy Hotsy Shark
Hot water rated

Please note the hose is inbound so the end of the hose will have female garden hose 90 degree connection so you can hook your machine to a hot water sink if you need to (default flow direction). Please note this package does not include any hose to hook the reel to your truckmount or pressure washing machine (water in). Please specify connections and length you might need. If you need a male at the end of the reel, please specify at the time of ordering (water out). Please note assembly might be required.
