Manufacturer: Clean Storm

Hot Water Hose Garden can be used for auto fill or auto dump carpet cleaning machines

Description

- Style 6ft 1/2" ID x 90 degrees
- 200 psi use
- 800 psi burst and
- Rated for Hot Water Use (200 degree F).
- 90 degree female end allows you to use in bathroom sink that would normally require a tight turn to get the water to flow out of the sink.
- 3/4" Standard male connection allows for use with most brands of auto fill machines that use standard garden hose connection (example: US Products)
- Can also be used as the auto dump hose.
- Default color is BLACK but color is not guaranteed.
- Used to transfer hot water from the sink to your auto fill carpet cleaning machine, truck mount extractor or pressure washing pump.
- Commonly used for tile cleaning systems where you need to hook your pressure washing pump to the sink's hot water supply.
