CTI Pros Choice Tile Clean and Protect - 1Gal

Manufacturer: ProsChoice

#### DESCRIPTION:

Clean & Protect simplifies daily cleaning with easy to use spray and wipe technology. No need to rinse plus an invisible protective seal remains to fight against future stains and soil. This is the perfect daily cleaner/protector to maintain tile after it has been sealed with "Impregnator STG".

#### DILUTION:

For normal dirty surface cleaning and maximum post cleaning stain protection Clean & Protect is ready to use.

You may dilute up to 4 parts water for lighter soil cleaning.

#### DIRECTIONS:

- Apply Clean & Protect solution with sprayer, sponge, or mop.
- Agitate surface with brush, sponge, or mop as required to loosen soil.
- Wipe away soil with a clean damp towel, mop, or sponge.
- Allow surface to dry completely before using to prevent soiling or accidents
