Model Number: AH18

Clean Storm DustDowner Dry Vac Mister 1-1/2in AH18 With Hose cuffs

Manufacturer: Clean Storm

Clean Storm DustDowner Dry Vac Mister 1-1/2"

Basicly this is a jet installed on a QD installed inside of a vacuum hose coupler

USES: Companion to the TurboBrite vacuuming tool. SECONDARY USES: Duct cleaning. Protects your machine's blower from dust while dry vacuuming. Place in line right next to the machine, or between the hose and wand. A constant supply of water sprayed into the vacuum hose insures that any grit and dust is quickly put into solution. Dry vacuuming is no longer a hazard for the equipment. For use with 1-1/2" ID vacuum hose.
Can be used with Air Care Duct agitator tool.
