Mytee H109 Wheel 10 inches 1/2in hole Compatible With some M and LTD Series Extractors Non Marking Gray Color 4.10/3.50-4

Manufacturer: Mytee Products Inc

Mytee H109 Non marking Wheel, 10 inches, 1/2" hole/ axle  
Used on Mytee M Series and Mytee LTD Carpet cleaning Extractors  
Can be used to fix and repair hand trucks dollies, hose reels, and some pressure washers.  
Non marking material makes it perfect for equipment that has to be taken inside of buildings.

10" Foam Filled  
350 lbs rated  
1/2" Axle  
Ball bearing  
Sawtooth Tread  
4.10/3.50-4 Non Marking Gray Color  
Nylon Tube Type  
K-353A1-LG-G-201  
Not for use on highway  
4 ply

Note: The wheels will arrive deflated and will have to be filled up with air or foam.  
Wheels are gray and yellow.  
The yellow looks like discoloration caused from storage in the box.  
All wheels are brand new but the shade of the wheel is not guaranteed.
