ProRestore Microban Mediclean X-590 Institutional Spray Plus 5 Gal Pail (Formerly UnSmoke X580) 22155300 Freight Included

Manufacturer: Chemspec

Chemspec Microban Mediclean X-580 Institutional Spray Plus With Tracer
(Now called X-590)

Water-based bactericide, fungicide, deodorant, and insecticide in one unique formulation.

Just one application of Microban X-580 kills insects, mold, mildew and bacteria odors, plus provides long lasting residual protection. It uses a naturally derived botanical insecticidal ingredient and is approved for use on mattresses and soft surfaces, so it's perfect for combating bed bugs. X-580 is also suitable for many decontamination applications including sewage backups, removal of carcasses, and more.

Please specify when ordering for delivery to California.

X-580 is not available in Canada.

As an insecticide, Microban X-580 kills roaches, fleas, ants, beetles, bedbugs and their larvae. And as a bactericide, Microban X-580 kills gram negative bacteria, the bacteria typically encountered in sewage backups and toilet overflow situations, and is EPA-registered for both spray and fogging application. Microban X-580 Institutional Spray Plus also protects stored fabrics against textile-destroying insects for up to six months.

shipping weight is 40#s
dimensions: 13" X 13" X 13"

Use Instructions

Apply X-580 with a compression sprayer or with an ultra low volume fogger (Blastmaster).

Mixing: Use full strength. Do not dilute. Refer to label.

Application: Apply via sprayer to porous surfaces at a rate of 1,500 square feet per gallon. Spray until moist, brush into carpeting, an allow 10–20 minutes for drying. See label for additional instructions.

For complete instructions and safety data for this product, refer to the User Guide and Material Safety Data Sheet, available under the Documentation tab.
