Manufacturer: Chemspec

ODORx Double-O®;

Double-strength odor counteractant eliminates stubborn protein odors.

Double-O is specially formulated to eliminate the stubborn protein odors resulting from kitchen fires, burned meat, spoiled food, and more. Double-O is also highly effective against sewage related odors and for water damage restoration.

Double-O is a blend of powerful odor control counteractants, solvents and detergents that reduce the spread of odor-causing molecules into the environment. Double-O also contains surfactants that help the product penetrate into odor-damaged surfaces and to disperse in water.

Use Instructions

Double-O can be applied with a compression sprayer or an airless paint sprayer.

Mixing: Add 3–4 ounces of Double-O per gallon of lukewarm tap water.

Application: Spray onto sources of odor with pressure sprayer. Add to wall and fiber cleaning solutions as needed. Apply with a compression sprayer or an airless paint sprayer. See label and User Guide for additional instructions.

For complete instructions and safety data for this product, refer to the User Guide and Material Safety Data Sheet, available under the Documents tab.
