ODORx Tabac-Attack™ Kit

Remove tobacco odors permanently. Period.

Specifically formulated to neutralize the odors associated with tobacco smoke, Tabac-Attack works at the molecular level to neutralize and permanently deodorize materials affected by tobacco odors. Tabac-Attack can be used on hard or soft surfaces and as a room deodorizer.

Use Instructions

For severe or stubborn tobacco odors, use Tabac-Attack together with Tabac-Attack Thermo-55. Always refer to product label or User Guides for specific instructions.

Suppression spray with Tabac-Attack.

Prepare Tabac-Attack solution according to label instructions. Spray affected materials and surfaces, taking care to avoid drips and streaking. Tabac-Attack may also be added to hard surface and fiber cleaning solutions as needed.

Thermal fogging with Thermo-55

Apply Tabac-Attack Thermo-55 using a thermal fogging device (see table below to select the correct device). Refer to product label or User Guide for specific instructions. Be sure to ventilate the treatment area thoroughly before permitting the area to be re-occupied.

For complete instructions and safety data for this product, refer to the User Guide and Material Safety Data Sheet, available under the Documents tab.
