...

A Steam Cleaner AND a Vacuum! The undisputed champion of clean! If you think steam is raw cleaning power unleashed on dirt and grime, imagine the power of steam and vacuum combined! With the elegant cleaning solution of steam vapor and the trusted cleaning solution of a vacuum, our Desiderio Auto steam and vacuum machine offers un-paralleled cleaning in a single, effortless pass! Basic science, not a lofty promise, is your assurance that a steam and vacuum system is an excellent choice. Cleaning is just the beginning &ndash; not only steam those dust mites and creepy crawlies dead, but use the preferred method of vacuuming prior to and after treatment &ndash; all with one machine!

Commercial or home the Desiderio Auto offers the best of both worlds in steam vapor cleaning. Highest temperatures combined with Continuous fill and vacuum with water filtration for a price that is well below it&rsquo;s competitors on the market. Why pay more and get less?

Since the steam and vacuum combination makes cleaning so extraordinarily easy, the uses are endless! The Desiderio has a two stage commercial high suction vacuum and since the water catches the dirt and debris more effectively than a bag or filter, no expensive filters or bags are required! Cleaning the machine is a matter of dumping the waste water! It just could not be easier.

Steam and extract simultaneously the dirtiest of floors! Our water filtration system achieves results better than a hepa filtration system! We then added a secondary filter

One Review for Desiderio Auto

William Auto Detailer posted:

This steam cleaner has become our most loyal companion through our toughest tasks here at our auto shop! After doing an excessive amount of research online, hunting down the ultimate task blaster, I ran across this unit. I immediately had my staff familiarize themselves with this machine and they are just as thrilled with the results as I am. All of the features have left nothing less than positive feedback from not only our customer's but our family here at the shop. So from business to business and family to family we thank you and enjoy using your product everyday to make our business a success!

Desiderio Auto Steam Cleaner

With Continuous Fill Feature

Vapor Clean Desiderio

Warranty and Return Policy

We feel it extremely important for not only the consumer to understand his/her rights and responsibilities after your purchase, but to also understand our obligations and responsibilities to you as a retailer. We encourage you to check all companies policies before making purchases to reduce possible misunderstandings after your purchase.

Product Warranty Information

The factory warrants to the original purchaser that this product, excluding accessories, shall be free from defects in manufacturing and material, under normal and reasonable use for a period of one year from date of purchase.

For this warranty to apply, the owner and/or user must follow the instructions provided herein, with the product. The proof of purchase must be submitted with return of the product for warranty to apply. The product returned to the manufacturer/Vapor Clean Products Inc. is to be shipped prepaid (see exceptions) in a protective carton. The manufacturer advises the purchaser to insure the shipment against possible loss or damage in transit. The manufacturer will not be responsible for items lost or damaged in transit. Purchaser must contact retailer prior to shipping product for repair to receive proper instructions and authorization.

This Warranty is Void if: product is damaged due directly or indirectly to misuse, abuse, negligence, accidentals, repairs or alterations outside our facilities, lack of maintenance, or used not in accordance in the owners manual. The sole and

>

exclusive remedy under this warranty is repair or replacement, at the Manufacturer's option, of any product that proves to be defective in manufacture or materials within above stated period. This warranty is not transferable.

This Warranty is void if residential/home equipment is used in commercial use.

This Warranty is Void if: Product has been operated with substances other than city water, non softened water\*, bottled or distilled water. Any substance introduced into the boiler other than acceptable stated waters will void warranty.

The manufacturer or it's representatives is not liable for any consequential or incidental damages (including personal injury, property damage or monetary loss) that may be incurred from purchase, use, or inability/improper use of the product. Maximum liability shall not exceed the purchase price of the product paid by the original purchaser.

Some states do not allow the exclusion or limitation of incidental or consequential damages.

Lifetime boiler warranty, part only, applies on purchases made after 10/01/05. Prior to this date of 10/01/05 a 5 year boiler warranty, part only, applies. Effective 5/23/08 Heating Elements are included with the lifetime boiler warranty.

Ground shipping will be paid on qualified warranty repairs effective 5/23/08 to the 48 continental US states.

The extended warranty only applies to retail purchases.

Ebay purchases or any item not purchased at full retail price unless otherwise noted, receive the 1 year parts and labor mfg. warranty as described above. Shipping will be paid within 30 days of purchase for damaged or defective products.

This machine is a Continuous Fill machine.

It cannot be used with Distilled Water.

You must use tap water only with this machine.

## Testimonials

Re: vapor clean Desiderio

1/8/2007 3:13:21 PM Eastern Standard Time

Thanks again. I also, LOVE my Desiderio, although I am still getting used to it! I'm cleaning everything in sight, including removed all the old paint off a concrete basement floor that was peeling and had mold and mildew growth under the paint. Of course, I did not use the Desiderio vacuum as I didn't want all the paint chips in the Desiderio, instead, I would wait for a while after removing the paint (using a stainless detail brush) until the loose paint dried then simply used my house central vacuum to clean up the dry paint chip mess.

I worked today at my folk's house disinfecting their carpeting with the steam and extraction. Even though they had vacuumed well before I arrived, you wouldn't believe the dog hair and dirt in the water!

Richard G

I love the Desiderio. First off, let me say that the quality of the product is amazing. It seems like more of a commercial grade product than a consumer one. My husband

>

calls me a clean freak because I am constantly cleaning something. I felt that my house was pretty much as clean as it could get - until I used this. I couldn't believe the stuff that was removed from around the faucets in my bathrooms. It was disgusting. Anyway, after owning this and cleaning with it for a while I am more confident in the cleanliness of my home. I basically use it for almost every cleaning task that I perform in my house. Things seem to stay cleaner longer because I am not putting chemicals on the surfaces that I clean. My hardwood floors are where I have seen a huge difference. They used to look dull within a day after cleaning. Since using the steam, they look so much better, and I know they are REALLY clean. My favorite part about the Desiderio is that it can extract, which is great when cleaning carpets. I have two little children, and they manage to leave messes everywhere. This machine has never failed to remove a carpet stain - using only the steam, no added cleaners. The best part is that the stain doesn't come back!!! I really can't give any negative feedback. I have never had any problems with this cleaner. I would gladly give the Desiderio a 5 star rating. Thanks so much for an outstanding product!

Sincerely,  
Jessica Gould

Hi,  
Regarding the cleaner, I love that thing. I have discovered a negative though. It is such a deep cleaning machine, that I have to clean some spots 6+x. Reason being, the foaming issue. I have had this carpet for 7+ years and have used every chemical cleaner on the market, and as a result, I am removing 7+ years of soap, sprays, deodorizers etc. from it, which makes Desi foam at the mouth. Even though the water level isn't increased in the retainer area, the cleaner products are reactivated. Any suggestions ?

Best Regards,  
Deborah Romanoski GRI

3:42:04 PM Eastern Standard Time Subj: Desiderio

Hi, I've really enjoyed the product and use it often for both regular and odd jobs. While I didn't purchase the machine for window cleaning I was amazed at how well it cleans windows! I've also used it on floors, carpets, furniture, auto interiors and bathroom surfaces. I've had no problems with the machine at all -- it just works!  
Rick Graves

Hello there,  
I recently bought a Desiderio, and I love it. I have been cleaning everything. I have started to clean the carpet in our office-it looks so nice and smells clean. It is an amazing machine, and I am so glad I bought it.  
I wanted to order some of the crevice brushes, but didn't find them on your site. Do you have an order form or a list of products I can order?  
Thank you for your time,  
Claudia

4/28/2006 11:56:50 PM Eastern Standard Time

>

You can add me to your testimonials page. The cleaner works fantastic. What a super tool. I have had to watch the back end of the unit for all the soap spray that comes out of most carpets. I am putting about the same amount of elbow grease into most jobs but the satisfaction of getting ALL the crud out is huge. If your are interested in getting all the way down deep into the carpet and getting them as clean as they can possibly get, the Desiderio is way to go. Thank you.

3/23/2006 11:04:49 AM Eastern Standard Time We mainly purchased the Desiderio to clean our silk plants throughout our community, which currently numbers to 87 plants and as we continue to complete build-out in the next 5 years these plants will total over 380 plants. Instead of taking these plants (which many are trees and palms) outside to hose down and wait to dry, we are able just to steam clean them right in their location, saving lots of labor. Other areas we love the Desiderio is for cleaning the elevator tracks and getting the dust off the base of the living room and dining room chairs and tables.
