Powr-Flite NM171HD 175 RPM 17 Inch Floor Machine

Manufacturer: Powr-Flite

Powr-Flite M171HD-3 175 RPM 17 Inch Floor Machine

Electric Floor Machines

High performance commercial floor machines and floor scrubbers by Powr-Flite! The smoothest professional swing machines you'll ever use!

No other floor machines run like the patented Powr-Flite swing machines. Low-torque transfer design allows the smoothest operation because the workload stays on the floor, not in the operator's hands. These super high performance floor machines do it all! They scrub, strip, spray clean and buff, bonnet clean, shampoo, scrape, grind or sand. Every Powr-Flite floor machine features important patented safety features: one piece base and motor housing, completely enclosed capacitors, non-conductive base and motor housings, and no exposed wires. The unique, single piece molded motor housing of our floor machines provides precision balance to the entire machine and eliminates the jerk found in other machines at power start-up. The one-piece motor housing also makes it easy to access the motor for cleaning and servicing. Run a Powr-Flite floor machine just one time and immediately you'll recognize the difference in ease of operation and control.

17 Inch Commercial Floor Machines / Floor Cleaning Machines

Powr-Flite offers high performance commercial floor machines with patented one-piece housing for longer machine life and easier use.

M171HD-3 175 RPM 17 Inch Floor Machine

Product Features:

>
