

Model Number: PF50

Powr-Flite PF50 12 Inch Upright Vacuum

Manufacturer: Powr-Flite

Commercial Vacuum Cleaners
Powr-Flite Powr-Flite PF50 12 Inch Upright Vacuum offers top quality commercial grade vacuum in a model for your specific requirements.

When you are vacuuming, it helps to have the right tool for the job. With Powr-Flite’s extensive line of commercial grade vacuums, it is easy to match the features you need to the job. Our upright vacuums feature heavy-duty low profile housing and wide furniture guards to protect the unit and surroundings during use. Everyone has a preference when it comes to vacuum bags so we made it easy. Most of our models come in either a Vacucide, treated shake out bag model or with the Enviro-Clean, high filtration paper bag. We also offer a heavy duty dirt cup model for fast, simple and clean waste disposal.

When it is necessary to keep the noise level to a minimum, our two ?tools on board? vacuums feature a clean air filtration system that operates powerfully, yet quietly with the Silent Run System. Our commercial vacuum line is completed with two wide area sweeper models and a convenient back pack vacuum. We know your requirements are varied so we offer models in every price range and with a wide range of features so that you can choose the equipment that best fits your specific requirements.

Commercial Upright Vacuums
Powr-Flite offers top quality commercial upright vacuums that are tough and durable with a variety of models for your specific needs.

12 Inch Upright Vacuum 12 inch upright vacuum

You won’t see a fully equipped commercial vacuum with this many features, at this price anywhere else. The PF50 is lightweight at only 12 pounds but is built commercial tough with a heavy-duty housing and all steel 2-piece handle. It is designed to take the rough handling of daily high volume use. Put one of these vacuums on each floor in your building or cleaning cart. The PF50 is priced right so you can buy in quantity! Combine the cleaning power of the 5.0 amp motor that delivers 65 CFM with the Enviro-Clean bag for filtering efficiency 10 times greater than conventional paper bags or convert your PF50 to a shake-out bag with the optional conversion kit.

Product Features:

65 CFM for great suction power

30 foot cord – perfect for office/hotel room cleaning without tripping over extra long cords

Steambrite Supply

Heavy-duty replaceable brush roll with removable end caps for easy repair

Easy to change belt drive – change right on the job and keep on going

4 position height adjustment flexible cleaning of hard floors or multi-height carpeting
