Pros Choice CTI Energy 3040C 1 Gallon C3038 UPC 078345003185

Manufacturer: ProsChoice

Pros Choice: Energy - 1 Gallon

Brand new chemistry to solve an old problem. Pro's Choice "Energy" dramatically improves your cleaning solutions ability to break the strong bond that holds soil to Olefin and Polyester fibers. Just use 2-3 ounces to 5 gallons for truck mounts. You've never used anything like this before. "Energy" has a pH of 7-8 in solution. Most commonly mixed with carpet cleaning powders to boost performance. Great de-greaser additive!
