Model Number: 516R

Arimitsu 516R, Pumptec 30367, Truck Mount Pump, 2500 PSI 950 RPM

Manufacturer: Arimitsu

The 5 Series pump models offer the performance and durability required in such applications as: Car Wash, Pressure Washer, Sewer Cleaning and Reverse Osmosis, Truckmounted carpet cleaning machines.

FEATURES

- Triplex pumps provide smooth liquid flow
- Liquid cooled, low drag seals provide long life, improved suction, higher efficiency and longer dry running without damage
- Balanced flow crankcase design and precision machining ensure uniform lubrication and quiet operation
- Manifold is designed and machined to guarantee superior fluid flow
- Interchangeable valves for maintenance ease
- Zero-clearance exclusionary seals protect crankcase

QUALITY

- Stainless steel valves with polished valve seats and hardened seating surfaces for efficient operation
- Precision ground ceramic plungers utilize a proprietary material blend for long life and increased thermal shock resistance
- Forged brass manifolds offer strength and corrosion resistance
- Proprietary, proven seal blend maximizes life and lengthens maintenance intervals
- Oversized crankshaft bearings for long life and quiet operation

MAINTENANCE

- No special tools required for repair or maintenance
 - Fluid end is easily serviced without entering crankcase
 - Easy access seal case and valve assemblies
- Right shaft means when you are looking at the pump head from the front the shaft is on the right side. All the photos on this page are showing left shaft.
