Model Number: AR51S

HydroForce AR51S Gekko SX-15 Head Only 1666-2443 sx15 Freight Included

Manufacturer: HydroForce

HydroForce AR51S Gekko SX-15 Head Only 124646
BUILT FOR SPEED

The industry's most advanced tile cleaning tool, the SX-15, just got slimmer. The new Gekko SX-15 attaches an SX-15 head to a Gekko wand to create an even thinner profile for this tile cleaning monster. The Gekko SX-15 was created after numerous requests for a wand-style set up for the SX-15.

The AR51S includes all components necessary to attach the SX-15 head to a Gekko wand AR51A

(The Gekko wand body is not included with the AR51S.)

FAST

- Industry-leading 15" cleaning path @ 1500 psi allows you to clean 25% faster than 12" models @ 1200 psi.
- Aerodynamically-engineered radial vacuum line creates a laminar-flow vortex in the cleaning head that allows the SX-15 to remove water twice as fast as competitive models (at 1500 psi)
- Tool-less design makes changing the boots a breeze! EZ-LOC™; boot uses no screws or pop rivets, simply release three locking levers to change your boot on the fly!
- Toe-adjustable vacuum relief lets you adjust the suction strength on the fly
- Low profile allows the unit to fit under toe kicks
- Easy access inline filter makes cleaning the filter a snap

DURABLE

- Quality components will handle operating pressures from 700 to 2,600 PSI (1500 psi recommended for faster cleaning) so you can blast away oily deposits
- Stainless steel handle and high-tech polymer casing will take a beating and ask for more

ERGONOMIC

- Lightweight construction makes it feel like the machine is floating along the floor
- Tool length is comfortable for users of all heights
