The new Nautilus Extreme restoration portable takes customization to a new level. It's not only a powerful carpet and hard surface cleaner; it's now a powerful flood extractor as well! Forget carrying a flood pumper AND a portable in your van. The Nautilus Extreme saves you money and space by doing both with a single machine. The Nautilus restoration portable includes a high capacity 18.3 GPM auto pump out and two powerful Ametek-Lamb 2 stage vacuum 8.4" motors to help you quickly extract water. And, unlike the typical flood pumper, it also includes a 500 PSI pump that allows you to clean carpet or hard surfaces with our Gekko tools.
