against the stiff solution hose.

All stainless steel construction means it is designed to last longer than brass couplers.

Allow for long solution hoses to be installed for big spray jobs so you no longer have to carry the jug as you spray.

HydroForce AS08A Injection Sprayer 5 Qt Jug Rotomolded with side mount opening

No longer have to remove jug from sprayer to re-fill.
Quit throwing your money away as current blow mold jugs only last a year.

Thick walled roto-mold jug is designed to last a lifetime.

5 Quart Bottle with Side Fill Port
Complete Bottle Assembly with Cap and Tether

- 5 quart roto-molded container (thick enough to last a lifetime.)
- Quart markings for easy measurement
- Transparent container allows you to see how much chemical is left
- Innovative, patent-pending design:
- Large, side-fill port - refill without removing the injector assembly
- Wand holder to keep your wand off your customer's floor
- Recessed handle - no more annoying Velcro straps
