Model Number: 89345212

Masterblend Chemical Injection system 89345212

Manufacturer: Clean Storm

Masterblend Chemical Injection system

Looking at photo from left to right

- 3 psi 3/8" spring check valve from water box.
- 1/3" psi check valve coming from dywer meter.
- Bottom right - return from unloader
- Top right - 140 degree sensor send water that is too hot back to waste tank.
- Far right - feeds inlet to water pump.

This is not everything you will need but it is a start.
