Mytee may make changes in products it manufactures and markets at any time; these changes are made without obligation to change, retrofit, or upgrade any product previously sold or manufactured. Color, brand, shade of part or machine is subject to change without notice. This means they can and will change the size, brand, color of the wheels, casters, pumps, vacuum motors, power cord, wand, waste tank lid... In early 2018 Mytee is in the process of changing the rear wheels and front casters to a different size and specification. Other changes might also take place. We do not open the box to tell you the brand of the component installed on your machine or our interpretation of the shade of the plastic or component. All machine are brand new in factory sealed boxes.
