Manufacturer: Mytee Products

Mytee HP120 Grand Prix Auto Detail Carpet Extractor 120psi 3 satg vac Heater with hose set & wand (Formally HP100)

The Original HP120 Grand Prix™. Mytee® at its Finest.
The HP120 Grand Prix™ automotive detail extractor transformed the automotive detailing industry. It became the bestselling and most imitated automotive detail extractor in the world. Mytee’s® HP120 Grand Prix™ automotive detail extractor was the first heated extractor to feature a single power cord. Doesn’t sound like much? Lets go back in time. Before the Grand Prix™ using a pump, vacuum and heater required two power cords. This made it hard to find an appropriate power source. But with the engineering ingenuity at Mytee®, this trailblazer changed all that. Or so the saying goes… the rest is history.
Other trendsetting features include:

• Performance. Using our exclusive REAL HEAT™ system. The 1,200-watt in-line heater with maximum 210Ëš temperature produces hot water that quickly breaks up grease and dirt. The single 3-stage LA (low amp) motor makes the extractor even more effective.
• Has 130″ of water lift. 100 CFM.
• Two 10-gallon capacity tanks. The ideal size for most cars.
• A 1.25” hose. Easy to maneuver in tight spots.
• The upholstery tool has a low profile. Perfect for detailing.
• A high drain valve. For emptying into a standard bucket.
• A compact design. Fits perfectly into a van, truck or storage area.

The Grand Prix™ also offers:

• Durability. The housing is made of tough roto-molded polyethylene material. This material makes the housing resist to rust or denting.
• Customer Service. Mytee® always offers a limited lifetime warranty. We have a national network of service centers.

Made at our California plant, the Hp120 grand Prix™ undergoes extensive factory testing. This ensures that it meets rigorous quality standards. Mytee® automotive extractors are covered by the strongest warranty in the auto industry. The housings are covered for life. Mytee® detail extractors represent the cutting edge in cleaning technology. Take on any job with confidence utilizing the Grand Prix’s™ combination of power and versatility. Order the HP120 Grand Prix™ today, and see for yourself why this classic sets the standard for all auto detailing extractors.
