FLIR MR160 Moisture Meter with Thermal Imaging 1649-2288 Freight Included

Manufacturer: Flir Systems

FLIR MR160 Moisture Meter with Thermal Imaging 1649-2288

## FLIR MR160

### Thermal Imaging Moisture Meter

The FLIR MR160 Imaging Moisture Meter is the first of its kind. Equipped with a built-in thermal camera, MR160 is the only moisture meter with the power to show you where to measure the problem. Featuring Infrared Guided Measurement (IGM) technology, the MR160 helps you quickly scan and target moisture issues, visually guiding you to the spot where you can make confident moisture readings. An integrated pinless sensor and an external pin probe provide the flexibility to take either intrusive or non-intrusive measurements. Built tough with an industry-leading warranty, the MR160 can serve as your go-to troubleshooting tool right out of the box — or as the perfect complement to any high resolution thermal camera you already own — helping you find hidden moisture issues and capture reliable data more efficiently.

### IDENTIFY AND VERIFY WITH ONE TOOL.

First-ever thermal imaging moisture meter

- 80 x 60 Lepton®; thermal imager with IGM technology
