Demo means: might have blemish, scratch or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company or returned by customer, used by factory for R&D work, or just an out of box just sitting on the shelf special. All demo units have been repaired (if needed), tested, and cleaned and come with a full parts factory warranty.

Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned.

All sales are final.
