Harvard Chemical 239705 Flash Hand Automotive Car Wash Detergent 5 gallon pail - 2397

Manufacturer: Harvard Chemical Research

Harvard Chemical 239705 Flash Hand Automotive Car Wash Detergent 5 gallon pail - 2397

Description

This is a high foaming product that has been uniquely formulated for hand washing cars, trucks, buses, and other vehicles. Flash is a modern combination of synthetic detergents and emulsifiers, which provides effective cleaning to all vehicle surfaces. This product will quickly remove dirt and greasy soils for surfaces without damaging or dulling any finishes. This superior automobile wash has a neutral PH and contains no acids, abrasives, or strong alkalis that might cause damage and will not contaminate streams, water supplies, or septic tanks after rinsing. This product will safely and completely perform all vehicle-cleaning jobs.

Features & Benefits

- High foaming for effective cleaning
- Quickly removes grease and dirt
- 100% biodegradable
- Economical - highly concentrated
- Will not harm streams or septic tanks
- Safe for all vehicle surfaces
